Module 3	God Watches Over Everything
Lesson 5	Review and Assessment

AIMS

To review and assess that the children understand the material taught in module 3.

MATERIALS

Safety pins

STEP 1

Cut out the pictures of created things at the back of the pack. Lay them out for the children to see. Then pin one to the back of the children without them knowing what is pinned to them. Explain that they are playing at being God's creatures. The other children have to give them clues until they can guess what they are.

STEP 2

Cut up the next sheet and put the pictures in a box. Let the children take them out in turns and stick them on the correct side of the following sheet. Encourage them to think of other things. They can draw these and fix them on the correct side. Remind them about angels, the invisible creatures.
