## SPECIAL PARAGRAPH No 1

Once upon a time, not long ago, there was *no* you! But God had always wanted a boy or girl just like you. So He made you. He made you come to life inside your mummy. You were very tiny. Then, when the right time came, you were born.

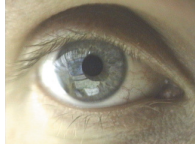

## SPECIAL PARAGRAPH No 2

God gave you a **body** that can do all sorts of things. Your body can run and it can climb and jump and play. And God gave you the eyes that are looking at this book right now, and ears that can listen to a story, or music, or any sound. And you can taste ice cream with your tongue, touch puppies with your finger, and smell cakes cooking with your nose. God gave you all these wonderful things.
